WHY PROSPECT HILL ACADEMY?

- ◆ A **uniquely diverse, global school community** that welcomes family participation and supports family involvement in their child's education.
- ◆ **Small school and class sizes** invite deeper relationships between students and teachers and foster opportunities for student voice and choice.
- ◆ **Experiential, play-based educational program** that includes free enrichment opportunities for all students, such as **STEAM Saturday**, a hands-on, engaging, and fun Science, Technology, Engineering & Math program for K-8 students.
- ◆ An engaging **Computer Science program**, including a PHAb Lab makerspace for grades K-3, Family Hour of Code, High School Hackathon, and an Esports team.
- ◆ **PreK-12** allows for a consistent educational journey that prepares students to succeed in college and career (PHA has 4th highest college enrollment in MA).

"My daughter loves PHA! We recently moved 40 minutes away but the community here and the attention my daughter receives from her teachers - it was a no brainer to stay...I am grateful for PHA for the progress I see in my child's academics! PHA makes learning fun!"

- Mirelle, mother of a PHA second grader
