

Cambridge Employment Program

Are you returning to work? Looking for a better job? Considering a career change?

The **Cambridge Employment Program** provides free career counseling to support **Cambridge residents** with their employment goals. We work with people at all levels of experience across a variety of occupations and industries.

Our program can help you:

- Write a resume and cover letter and practice interviewing skills
- Learn effective job search strategies and complete online job applications
- Identify your skills and determine if you need more training or education
