August 5-August 16

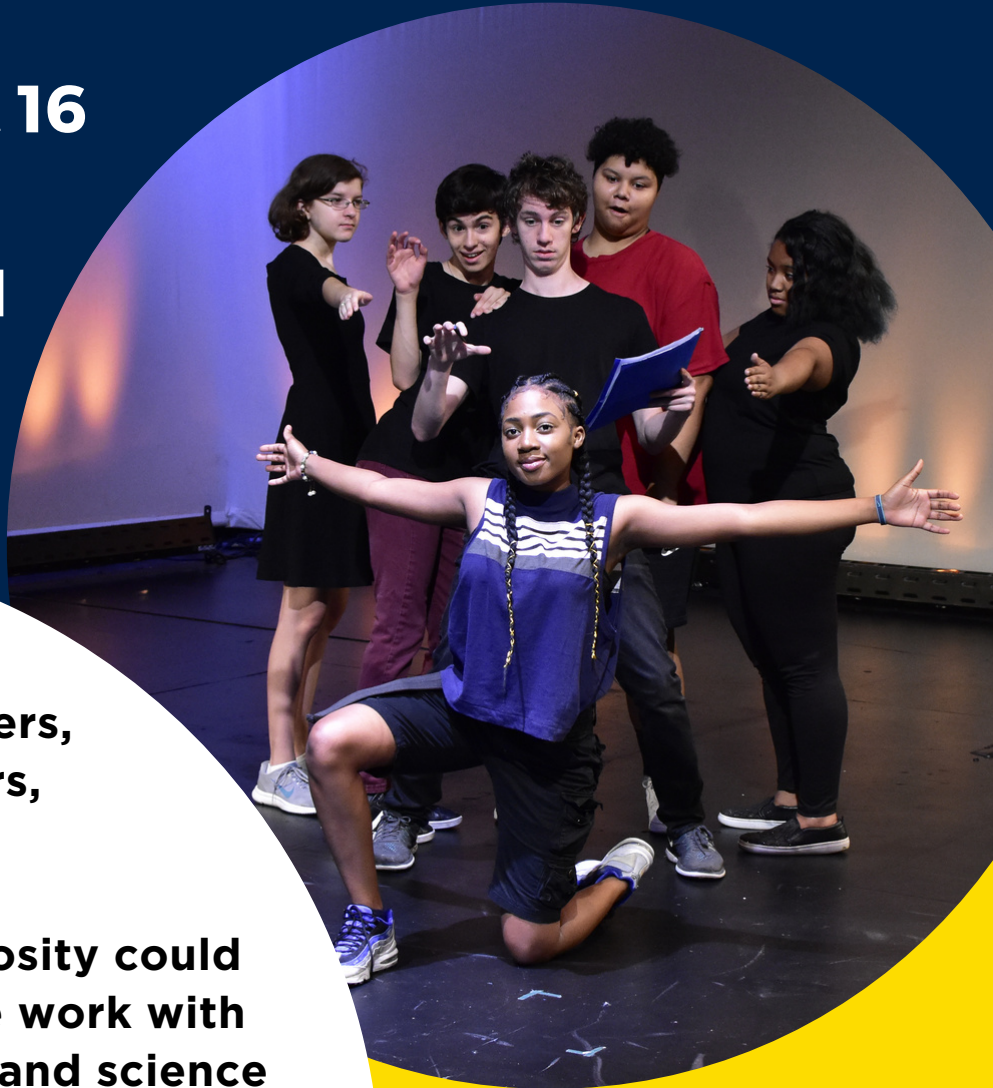

Monday-Friday

9:00 AM- 3:30 PM

Ages 10-13

Calling all creative thinkers,
hands-on problem solvers,
and theater kids!

Ever wonder if your curiosity could change the world? Come work with theater artists from CST and science experts from Lemelson-MIT, to explore stories about young people making a difference in their communities. Students will choose an inspiring story to adapt, bring it to life on stage, and design and construct a new invention inspired by the tale.

Tuition:\$800
(scholarships and sibling
discounts are available)

Extended Day available daily
