HISTORY OF THE CAMBRIDGE CARNIVAL

Cambridge Carnival International is a colorful and festive celebration that is rooted in African traditions. The festival, now a Cambridge institution, attracts thousands of people and is the largest festival in Cambridge.

The Cambridge Carnival is planned entirely by the community for the community. The organizing committee works year-round to plan an event that is inclusive, engaging, and reflective of the city's diversity. The event is organized by a non-profit organization made up of a diverse group of individuals. The festival is a vehicle to bring together Cambridge's diverse community for a spectacular annual costume parade and celebration.
