

The Center for Families

Center for Families is a part of the Community Engagement and Family Support Division, which also includes Baby University, Cambridge Dads, Case Management, and the DHSP Community Engagement Team.

Center for Families is a free family support program that serves Cambridge families with children birth- 8 years old.

CFF programming includes:

- Fatherhood programming through our Cambridge Dads Collaborative
- Parent/child activities (like playgroups)
- Family Events
- Parent support groups
- Parenting workshops
- Information, referrals, and concrete supports
